

NEW EU LAW TIME LOG FOR ALL EMPLOYEES

1 TIME LOGGING

No matter if you employees are designers, cleaners, accountants, sales etc - they must now log all their time!!

2 HISTORY ACCESS

You must keep it for exactly 5 years back.

And ensure each and every employee has constant access to the historic view.

3

COMPLY

You further more also have to ensure no employee work more than 48 hours consistently over a 4 month period.

4 FIND A SYSTEM

You could use some HR system that won't comply to all the requirements. Maybe Excel or Paper?

OR?

5

TRY FOCUSTAIL!

FocusTail is purpose built to solve this problem.

We have gone through all requirements and ensured we are complying.

6 COLLABORATE

If your country come with new law requirements then contact us immediately.

We will within days start new development to ensure we continue to comply.
